From Publishers Weekly

A tail-wagging three hanky boo-hoer, this delightful fiction debut by newspaper columnist Cameron (8 Simple Rules for Marrying My Daughter) proposes that a dog's purpose might entail being reborn several times. Told in a touching, doggy first-person, this unabashedly sentimental tale introduces Toby, who's rescued by a woman without a license for her rescue operation, so, sadly, Toby ends up euthanized. He's reborn in a puppy mill and after almost dying while left in a hot car, he's saved again by a woman, and he becomes Bailey, a beloved golden retriever, who finds happiness and many adventures. His next intense incarnation is as Ellie, a female German shepherd, a heroic search and rescue dog. But the true purpose of this dog's life doesn't become totally clear until his reincarnation as Buddy, a black Lab. A book for all age groups who admire canine courage, Cameron also successfully captures the essence of a dog's amazing capacity to love and protect. And happily, unlike Marley, this dog stays around for the long haul.

Like cats, dogs have multiple lives. At least, Bailey, the canine narrator of this first novel, has more than one. Bailey's first life is spent as a feral puppy who learns to trust humans after living with a loving but slightly dotty woman who owns too many dogs to suit the county. Bailey is removed by animal control, and his next life brings him to young Ethan, the human Bailey will love and search for through all his subsequent lives, first as part of K-9 Search and Rescue and then as a dumped and mistreated mutt. Through all these lives, Bailey contemplates his purpose in a voice full of curiosity and humor. He ruminates on the usefulness of cats ("none") and the strange natures of humans ("Am I a good dog or a bad dog? They can't decide"). This quickly paced, touching novel will charm all animal fans, especially those who loved Garth Stein's *The Art of Racing in the Rain* (2009) and Vicki Myron's *Dewey* (2008), the best-selling saga of a library cat. --Kaite Mediatore Stover

A DOG'S PURPOSE: A NOVEL FOR HUMANS BY W. BRUCE CAMERON PDF

A Dog's Purpose?the #1 New York Times bestseller?is heading to the big screen! Based on the beloved bestselling novel by W. Bruce Cameron, A Dog's Purpose, from director Lasse Hallström (The Cider House Rules, Dear John, The 100-Foot Journey), shares the soulful and surprising story of one devoted dog (voiced by Josh Gad) who finds the meaning of his own existence through the lives of the humans he teaches to laugh and love. The family film told from the dog's perspective also stars Britt Robertson, KJ Apa, John Ortiz, Peggy Lipton, Juliet Rylance, Luke Kirby, Pooch Hall and Dennis Quaid. A Dog's Purpose is produced by Gavin Polone (Zombieland, TV's Gilmore Girls). The film from Amblin Entertainment and Walden Media will be distributed by Universal Pictures. Screenplay by W. Bruce Cameron & Cathryn Michon and Audrey Wells and Maya Forbes & Wally Wolodarsky.

Heartwarming, insightful, and often laugh-out-loud funny, A Dog's Purpose is not only the emotional and hilarious story of a dog's many lives, but also a dog's-eye commentary on human relationships and the unbreakable bonds between man and man's best friend. This moving and beautifully crafted story teaches us that love never dies, that our true friends are always with us, and that every creature on earth is born with a purpose.

Bailey's story continues in A Dog's Journey, the charming New York Times and USA Today bestselling direct sequel to A Dog's Purpose.

THE BEST BOOK EVER!!!!!!!!!!!!

By Julie Rytand

Every single dog lover should read this book! I did not know it would be humanly possible for me to love my dogs any more than I already do, but after reading this book, that changed to 1 million times more.

A Must Read!

By Tonie Marie

Ummmm, I almost cannot fathom how the depths of my love for my Critters could be any deeper than I've always felt about them, but I was **WRONG!** In a few short hours of reading Mr Cameron's 'A Dog's Purpose' I have realized that as a Disabled American Veteran who struggles with PTSD how they have saved my life & continue to save my life on a daily basis with their unconditional warmth, love, loyalty & compassion! They give their **ALL** to us in everything they do & ask for so very little in return. They are God's Greatest gift to us Humans here on Earth & Im so glad that this Wonderful Book reminded me of that.

This is a Definite 'Must Read' book for the entire Human Race! To go along and experience Toby, Baily, Ellie & Buddy's Purpose in life might not only help us appreciate our loyal animal companions more, but each other as well!

An absolute MUST book for anyone that has lost a pet

By lulu

Definately a **MUST** have book for anyone that has lost a pet. The story is told first person by the dog - it is absolutely brilliant; the dog lives several lives and you will find yourself remembering your special companion in each chapter of this dogs life. You will laugh and you will cry - and you will find some comfort for your recent loss. It truely help my broken heart when I has recently lost my miniature schnauzer at 14 years 39 days young - she had been with me since she was 8 weeks old.

Thank you to Bruce Cameron for your brilliant mind to write such a heartwarming book for us pet lovers - once again, your book helped me through the most difficult time I have had in my life - I read it in one day.
