Applying for a summer internship at an upscale auction house just because she has a mad crush on one of the bosses, may be Career Fail 101 for Hannah Cohen.

Certainly, she is heading that way when she spends her first week focusing more on the way Bruce Nelson's mouth shapes his words than their actual meaning.

5 smoking stars!! One click this book.

By Lori Zenobia

Great first book in the series! Just enough to whet your appetite and bring you back to read book 2! I can't wait to see what happens with Hannah and Bruce! Olivia writes a great story and this is only a taste! There is serious steamy kink potential here and I am more than ready. I like the way Olivia writes the characters, you get a decent backstory as well as an actual plot! Seriously refreshing! Nice work Olivia!

Good

By Mayana79

I received this book in exchange for an honest opinion...I was pleasantly surprised how well I liked this book..I don't usually read BDSM... But it was a pleasant read and I am intrigued by both main characters and the secondary characters as well..definitely moving on to the next books in this series

great hot read

By Erin

Great hot read.

Slow building up with details from her side (would have loved more details from his side) and the climax is the scene during the auction.

Pity there isn't the scene he asked for the night before, would have liked to read about that one too.

Sounded promising
