Great to be able to replace older books!

By S. Wingate

I bought this for my husband to replace a copy that had been ruined by a burst pipe in our home. I was very happy to find the identical item at a reasonable price. It arrived quickly and was in very good condition.

Band Scoring by Joseph Wagner

By David Moore

A textbook. One of the best books on how to score for the concert and marching band. I lost my copy years ago, and wanted another. This one, although used was in very good shape, and priced right. The section, "Reference chart of keyboard idioms and patterns," is outstanding. Too bad this book hasn't been re-issued.
