BLACKMAILING THE BROTHEL: REVENGE OF THE COMPUTER NERD BY JASON HUTCHINSON PDF

Dave is a computer Technician at a large company and spends his days dreaming of the beautiful women he often gets to support. One day, searching for the solution to an issue on one such woman's machine, he uncovers a dirty little secret going on inside the company. A group of these delectable females are running an escort service, making a little extra money on the side through prostitution.

Dave's crafty mind takes over, and since he already has enough blackmail material on each of the girls, what's a nerd to do other than...take over.

Blackmailing the Brothel the first of a series of novellas following Dave as he brings one after another of these naughty women into his web of blackmail and submission.

Borderline, but hot.

By Amazon Customer

Very good sex scenes and a fun if somewhat questionable storyline. I like the author even if this wasn't really my thing (and that's on me,) Well worth reading if you like a little blackmail and/or prostitution with your sex.
