Well worth your time.

By Kate Hendricks Thomas

If you have ever wondered about God's plan for your life, reading *Broken Escalators* is a savvy use of your time. Pastor Peter Haas has produced prose full of humor, personal narrative, and relevant scripture to help us figure out how to be intentional with our time, teachable (no matter how right we assume we are), and humble about our gifts.

What speaks to me most is his emphasis on surrounding ourselves with uplifting people. Whether we are seeking a mentor, partner, or friend group, we have to look for qualities of true character.

Peter writes, "Scripture says that 'wisdom from heaven' is 'peace-loving, considerate, submissive, full of mercy' (James 3:17), so if the preachers you listen to lack a 'submissive' or 'mercy-filled tone' their wisdom is not from heaven."

Ya know how some people are amazing speakers but they're really not great writers or vice-versa

By J. Stallbaum

Ya know how some people are amazing speakers but they're really not great writers or vice-versa? Well, this guy is the real deal on both levels. He's an awesome speaker and just as good of a writer. You will be giggling out of nowhere and then find yourself being pulled into a totally contemplative state. It's full of practical, real-life stuff but also super hilarious and enjoyable. I really wish he would write books more quickly because I'm always bummed when I finish his books. His first book, *Pharisectomy*, was incredible as well. Highly recommend both.
