Readers,

Thanks so much for loving the Mackenzies as much as I do. This is a Happily Ever After story for Cooper MacKenzie, so if you haven't read COOPER I'd start there so you're not lost. Also, these follow up stories are like second epilogues. They're meant to be short and sweet. Thanks for reading!

Liliana

Cooper MacKenzie lives for the job. At least he did before his marriage. But doing the occasional undercover job for his cousin and keeping it secret from his wife isn't settling well in his gut. Claire has come a long way from being a shy librarian, but she's no one's fool. She knows her husband is keeping something from her. Loving and trusting a man who serves and protects is harder than she realized.

ehh

By Irina

I know its a novella and cost \$1 but this is more like a teaser chapter and probably should be free. I knew its only 57 pages but most novellas are over 100 pages typically and have more than 4 chapters... 2 of which are sex scenes. i like Hart's sex scenes but this was whatever.

I don't see the point of this book at all besides the epilogue maybe.

Rip-off

By Enjoys Readings

I like the entire family; however, this book was worth 50 cents. My Kindle showed I read 46- 1/2 pages then the rest of it was about a book on Cade that already released awhile ago. This book consisted of driving into town, having sex in the library, driving home and getting a trust issue resolved that took two pages. Zero story line.

Rip Off

By Kindle T

This was not a novella or even a short story. It was a 75 word sex scene.
