Where do I begin?

By C - Mama Likes To Read Book Blog

I haven't read a book like this in a while. I craved this story needing to know the details of Talon's past. The passion between Jade and Talon is so beautiful. There are so many strings undone right now I need to wrap everything up.

Jade is a complete character who knows Talon is screwed up but still loves him. She wants to help him see through his past but I don't know if he ever will. His past is such a mystery and I'm dying to know what happened. We get little teaser bites but not the complete story and then the dangling candy at the end... come on... how could you leave us that way.

I just want to devour the next story. I want more details. The book flowed well keeping my interest. Always a surprise in every chapter, things happened I didn't expect and I was kept on my toes throughout the story. I couldn't put it down. I need the next book. I crave the next story.

Marjorie and Jade need to investigate more. I need to know the truth. They need to read more in the boxes...

What a great story from this author. I look forward to the next book. Amazing!

Hot, sexy, troubled

By Sue O.

I didn't have alot of expectations with this new to me author...but I was floored. Talon and Jade's story is absolutely riveting. The characters are all flawed but perfect, if that makes any sense. The horror that is Talon (and the Steel Brothers lives) sucks you right in. The sexy times were just hot, hot, hot. Your heart sinks and flies and you wonder what next? What will be revealed? I hated to see it end.

I am OFFICIALLY hooked!

By CDBall

Well, I'm a little late to the party, but I am finally here!! What a great story, Miss Helen!! It took no time for me to become hooked into this story. Jade and Talon are perfect. I love all the characters in the story, and cannot wait to dive into Book 2. The Steel Family are a perfect mix of sexy and mysterious. While I'm especially anxious to know Talon's story, I'm sure the other members have an equally intense story. Bring it on, Miss Helen!!!!
