Must have been written by someone else

By Anna

Having done every series of "That The World May Know" over the past 15 years, I was anxious to join a small group using the Death & Resurrection Discovery Guide by Ray Vander Laan. While the videos are as impactful and engaging as I have come to expect from Ray's work, the Discovery Guide is very weak. His typical guides include questions that truly allow for depth of exploration, bible study and reflection. This one is very elementary, with questions that don't require an answer, and I found myself leaving many sections blank. Most of those doing the study with me feel the same, and I continue to encourage them not to give up on every study by this author as he is typically fantastic.

Death & Resurrection of the Messiah

By Morgancaudle

It's hard for me to give this a true rating at this time because it's for a Bible Study that I started in late. However, I would recommend it to Bible study classes. It explains things in a little different manner. I gave it 4 stars because it seems like it's going to be a worthwhile class.

Good Study

By The Swede

Needed to have the video along with it and did not realize it until I received the book. Please advertise it as needing the video for the study.
