Living daily in the Holy Spirit's presence

By Joan N.

I really like having a daily encouragement to experience the Holy Spirit on a personal level. The devotions are inspiring. Johnson has included a Scripture reference and a prayer for each day. (The last half of

December has no Scripture as these are accounts of recent people and their encounters with the Holy Spirit.)

This is a great devotional for, but not limited to, Charismatic Christians. While Johnson does write about the gifts of the Spirit, he does not make them a particular focal point. I was glad to see he writes about the importance of worship and the value of experience. He writes with a view to seeing Christians transform their world. That takes the direction, power and presence of the Holy Spirit.

I have not read through the entire devotional yet but I am looking forward to doing so in the coming year. The devotionals I have read are very informative and encouraging. They are a good reminder each morning to be aware of the Holy Spirit and rely on His presence to live out the day.

I received a complimentary galley of this book through The Book Club Network for the purpose of an independent and honest review.

A Help to Live In His Presence

By Shirley A. Strait

Hosting the Presence Every Day: 365 Days of Unveiling Heaven's Agenda for Your Life
by Bill Johnson

Publ: Destiny Image c.2014

In this devotional Bill Johnson has provided a guide to help you truly learn to live in the presence of God every day. Each day's devotion begins with the statement of a simple truth. This is followed by a commentary on the statement. Scripture readings follow the commentary. Each day's reading ends with a prayer. This prayer is just a stepping off place to get you started.

The daily devotions are not so lengthy as to demand a great deal of time. However, they provide a wonderful place to settle into a time of meditation that will lead you into a deeper relationship with God.

I have grown from my time spent with this devotional. It has helped me to come closer to the place I want to be with God.

If you are searching for a devotional that will guide you into living in the presence of God more fully. I can whole-heartedly recommend this book. Bill Johnson has truly hit the mark with this book.

I received this book through The Book Club Network for my unbiased review.

By Cheri Swalwell - author

Hosting the Presence Everyday by Bill Johnson is a great devotional! Anyone who wants to experience more of the Holy Spirit in their lives - what better way than to read a devotional daily for a year? In my opinion, this is better than reading a book cover to cover in a few days or a month. While I enjoy studying about the Holy Spirit that way as well, I think getting fed bite-sized chunks for 365 days will help me embrace the Holy Spirit in my life as a lifestyle which is truly my desire. I love the different topics given each month - 28 to 31 chances to study a new subject about the Holy Spirit or about how He and I relate with each other. This is a great resource, a chance to get to know Him on a more intimate level. While I've started reading it this December, I'm super excited to get a whole year worth starting in 2015.

I would recommend this book to anyone middle school and older. It's easy to read, takes only a few minutes each day, and combines Scripture verses and a prayer at the bottom to tie everything together. As the book says, the Scriptures overlap throughout the year to further reinforce the concepts being taught. The prayer at

the end of each day is a starting point, a way to put into words the beginning of a deeper relationship with the Holy Spirit that is personal between me and Him.

I'm so excited about this book that I'm going to ask my family if they want to read it altogether, either separately to supplement their own devotions or together as a family during family devotions or a combination of the two. I think it's deep enough for adults but yet able to be understood by a preteen and teenager. What parent doesn't want to start introducing and providing ways for their children to connect with God on a personal, intimate level? What better way to do that than as a Bible study together or giving an opportunity to study on their own while able to ask questions? If the parent and child are doing it together but separately, they can share what each one took from it.

I received this book for free from Book Club Network in exchange for my honest opinion.
