Review

"Seldom have so many of us Johnsons owed so much to so few Boswells; Jerry Beck and Will Friedwald have produced the best-indeed the only-dependable and honest history of the Warner Bros. cartoons."-Chuck Jones

About the Author

Jerry Beck is an animation historian and cartoon producer. His over fifteen books on the subject include The Animated Movie Guide, Looney Tunes: The Ultimate Visual Guide and The 50 Greatest Cartoons. He is also co-founder/co-writer of the popular animation blog, Cartoon Brew.

Beck is a former studio exec with Nickelodeon and Disney, and is currently a consulting producer to Warner Bros., Universal and Disney for their classic animation dvd compilations. Beck has programmed retrospectives for the Annecy and Ottawa Animation Festivals, The Museum of Modern Art and the Academy of Motion Picture Arts & Sciences. He has taught animation history at NYU, SVA, the AFI and UCLA. He is the host/producer of the annual "Worst Cartoons Ever" screening at the Comic-Con International: San Diego.

Beck started his career in film distribution, working at MGM/UA, Orion Classics, Cannon Films and Expanded Entertainment (Tournée of Animation), before starting his own company, Streamline Pictures in 1989, the first U.S. distributor to import anime features such as Otomo's Akira and Miyazaki's Laputa: Castle In The Sky. Beck was instrumental in launching Animation Magazine, and has written for The Hollywood Reporter and Variety. Beck was also the West Coast Bureau Chief for Kidscreen magazine in 2000. He has also created, written and produced animated films for various clients. His latest animation project, Hornswiggle, recently aired on the Nicktoons Network.

It's too bad more people don't know about this book.

By grundle2600

This book contains plot summaries and credits for every classic Warner Bros cartoon ever made. Do you understand what that means? Do you understand the magnitude of that statement?

Warner Bros made approximately 1,000 animated shorts between 1930 and 1970. I watched many of them numerous times while growing up. There are lots of others that I have never seen. But at least with this book, I now know what is out there.

Great Resource, but the index could be a little better

By A Customer

This book is a great resource to read about these classic Warner Brothers cartoons. It would have been nice if the book had included more groupings by characters in the index. The book is 390 pages long, so it seems that they could have included a few extra pages to list all of the appearances of Elmer Fudd or Yosemite Sam.

Complete Illustrated?

By Richard Powell

Illustrations are small, few and black and white
