OMICIDIO ALLA MODA (ITALIAN EASY READER) (ITALIAN EDITION) BY CINZIA LOREDANA MEDAGLIA PDF

NEW revised third edition with questions to check your comprehension after each chapter! Perfect for Italian students and classes! Level: False beginner to intermediate (A2-B1) Alessandro è uno studente che trova lavoro in estate presso un famoso stilista a Milano. Lo stilista muore, ucciso. E Alessandro è coinvolto dalla bellissima Tiziana in un'indagine pericolosa che lo porta nel mondo intricato e intrigante della moda milanese. Un thriller che è anche una storia d'amore con personaggi indimenticabili. Con esercizi di comprensione dopo ogni capitolo.

Just right.

By rhonda sentochnik

This novella was just the right level for me, an intermediate level. I especially liked the definitions for more difficult vocabulary right in the text. I only wish there were more like this available.

Fun practice for Italian learners, perfect for intermediate level

By Rachel W.

I wish I had a dozen books like this!

It was perfect for an intermediate level- a good mix of verbs and verb tenses, use of pronouns, etc. Handy cultural info included and enough vocabulary to let you learn a bit without making it tedious. The story is cute and keeps you interested (which also stops the urge to constantly grab a dictionary for words you don't know).

It's not long, but it's an excellent value for the price.

Only one complaint- towards the end in a pivotal scene for the plot I am quite certain the author used the wrong name a couple of times in a dialogue. I read over it a few times and it just couldn't make any sense unless the names were backwards. I understand that this comment might sound suspect, as I am the language learner here, but I wouldn't include it in my review if I wasn't certain.

Fun Mystery

By Naturally

I really enjoyed this book, but I could never have read it without the help of my integrated Kindle Italian-English Dictionary by Andrei Pushkin. (I am a beginner at Italian (5 months), but know Spanish.) I was so surprised when I discovered that I only needed to move the 5 way button to get the definitions from the dictionary. This helped me read the book at a faster pace. I recommend getting both books for more convenience.

Omicidio alla moda takes place in the fashion industry, and gives you the flavor of Milano. It's a good read. By the way, another Italian Easy Reader, Un amore per la tua cucina, has the same main character, Alessandro. I might even like it better than Omicidio.
