Good Reading

By patricia johnson

Well organized and since he was my Great Uncle (married my Grandfather's sister), I fell qualified to comment about his life. I appreciated her approach to her subject and enjoyed reading the various newspaper

coverage. The world appreciated hero's then much more then today. Being in service has never been easy, and sadly, not appreciated as much as it should be in our Country.

I've lived in Fentress County all my life and have always admired Sgt. York. I attended the High School he founded. I learned so many things from this book, not only about Sgt. York but also about the news media. I recommend this book to anyone who is interested in the history of our country and the great men who fought for our freedom.
