great for other types of treadle sewing machines

By Bridget Striker

I own a Square Deal and the Singer 66 is very similar. My belt disintegrated several years ago and with these instructions I will be able to make a new belt and use my sewing machine again. This book has some great tips and is very easy to understand. I am excited to be able to use my Square Deal instead of it just being a pretty piece of furniture!

Glad I bought it

By Amazon Customer

Enjoyed this book and found it helpful, too. Writing style very personable. Objectivity greatly appreciated; pros and cons both identified. Great modern starter guidebook.
