Informative Book

By russell

NO pictures but the 1955 edition has outstanding coin descriptions, history, more great read. Irecomend the book to anyone interested in California gold coins.

Little value due to lack of photographs

By Bob

Book tells some history of the coins, and has detailed descriptions of all the varieties. Likely very useful to the meticulous collector interested in becoming an expert on territorial gold, but to the more casual enthusiast this book is of little value due to a complete lack of photographs.

Great book with a lot of info

By Ryan

Great book with a lot of info. Definitely for the seasoned collector as there are no photos. Nice addition to the library though. Thanks
