TAKIN' OVER THE ASYLUM (MODERN PLAYS) BY DONNA FRANCESCHILD PDF

Adapted for the stage by the author, *Takin' Over the Asylum* is a hilarious, updated and profoundly moving adaptation of Donna Franceschild's Bafta-winning BBC TV-series. Set in a Scottish mental institution, the play reveals hope and joy in the fragile beauty of the human heart.

When Ready Eddie McKenna, Soul Survivor and double glazing salesman, arrives to reinvigorate St Jude's defunct hospital radio station he turns more than the ramshackle station upside down. The whisky drinking would-be DJ meets the 19-year-old bipolar Campbell, schizophrenic electronic genius Fergus, OCD Rosalie and the elusive self-harming Francine. Fighting against illness and perception Eddie and the patients of St Jude's strive for their dreams to be accepted.

Stands the Test of Time

By Catherine McNabb

I am a really big fan of the series so I was interested in seeing how a multi-episode series would translate to a two hour play 20 years later. The author did an excellent job of keeping the heart and soul of the series. Of course as with most books or in this case series that is condensed you do lose some favorite moments, but the wonderful characters and poignant moments were not lost. I just wish I could see this play produced here in the States.
