The pressure is on for the last of the Belmont brothers to marry or settle down before his father passes away and in order to keep his inheritance in the Belmont Hotel Empire. Gorgeous hotel heir and social recluse Leonardo Belmont doesn't know if he'll be able to fulfill his father's dying wish. He's already been hurt in love and plagued with guilt over his late wife's mysterious death. He's got way too much baggage to get close to another woman. That is until he meets a lovely damsel in distress, a hot blond with a sweet hint of a Jamaican accent, on the beach.

A relationship is the last thing on missing pet response volunteer Honesty Moore's mind. Her ex-fiancé called off their wedding and decided to elope with her maid of honor instead—her best friend. But she won't let that bring her down. As they say in Jamaica, worrying doesn't solve problems. Needless to say, her heart has a wall around it to protect her. And she's focusing on a new life when she moves back to Belmont taking care of her late grandmother's old cottage on the lake. But when she bumps into her neighbor, too-sexy-for-his-own-good Leonardo Belmont, on the beach, he derails her plans into a sea of forbidden territory. Will he melt the protective wall she built around her heart?

Can two broken hearts find true love together?

The Billionaire's Redemption (Book 5)

By Amazon Customer

I always LOVE the twists at the end of these books!!!! Well done! Love the small town cottage scenery. I enjoyed this story till the end. Leo is the last Belmont brother to get married and it almost never happened to fulfill his father's dying wish. His late wife has been missing for seven years and declared dead after a boating accident. I won't give away the ending. Honesty has been hurt before after her ex-fiance ran off with her best friend. I have to say the ending totally surprised me. I hope this is not the last book in this series. It looks like it. Will there be a story for the cousins?

Sweet story and I love how the story ended!

By Amazon Customer

Honesty & Leo were such a sweet couple. I fell in love with them right away. Honesty is such a sweetheart and I was hoping that she'd end up with Leo from the moment they met. This story had a lot of suspense and quite a few surprises. And I was so thrilled to finally learn the Belmont/Jackson Family Secret! I've been

wondering about this for so long. I don't want to spoil anything but I loved how they all ended. Can't wait to see what's next.

I loved the way the author weaved the details of this final book with the last Belmont brother marriage and the conflict with the Jacksons resolved. Will the author continue this storyline with the Jackson's family?
