Oh my goodness. This book is packed with great advice (everything from getting started — knowing your why, brand values — to living as an entrepreneur and learning to take breaks and let go of perfectionism), not to mention absolutely beautiful design. I love how comprehensive this book is, and it's practical, honest, and just well written and designed that it's such a delight to read through. If you're contemplating starting a business, this book will get you excited to get started.
