The powerful Duke of Danby is at it again! 1816 was the year without a summer, but what a Christmas it will be when His Grace finally turns his matchmaking machinations to distant branches of the Whitton family tree.

Collection One includes:

Ava Stone's Lady Patience's Christmas Kitten ~

Lady Patience Post is about to lose the one thing she really wants for Christmas – the sweetest kitten in all the world. But unless she can figure out a way to save the little ball of fluff, her brother will toss the cat unceremoniously out into the snow. Luckily, a summons from the Duke of Danby arrives at the perfect time for a feline reprieve. Now if only the little Angora can behave himself in Yorkshire over the holidays so she can devise the perfect plan to keep him... Doctor Matthew Champion was not part of the plan. But after he treats Patience for an infected kitten bite, she can't help falling completely in love with the handsome and thoughtful doctor. But will her family and the duke approve?

Rose Gordon's Mistletoe and Michaelmas ~

The last thing Daphne Cavanaugh wants to do is marry—well, perhaps not the last thing, but it's certainly not at the top of her list, especially if it's only to get her out of her guardian's hair... \* Aaron Lentz has faith in marriage—for other people, that is. Having been betrayed and made a fool once before, he has no inclination to walk down the aisle... \* But perhaps a sprig of mistletoe, a dash of fate and a shameless, meddling family (even in the form of an ancient duke), Michaelmas, 1816 might bring about a future they never expected.

Lily George's A Christmas Courtship ~

Anthony Carew, Earl of Bexley, is the unwitting object of scandal when his betrothed elopes with another man. While Bexley is all too happy to return to a quiet life of farming, his formidable grandmother, along with her brother, the Duke of Danby, have different plans. To quiet gossip and fulfill his duty as the eldest son, he must find a wife, and soon. \* Shy Rosamond Hughes has secretly been in love with Bexley's younger brother for years, and she is encouraged by his sisters to sweep the wandering younger son off his feet when he returns home for the holidays. What better way to hone her meager flirting skills than by practicing on their recently jilted brother, Bexley? \* In her quest to follow her heart, Rosamond accompanies the Carews to Christmas at Danby Castle. After a few magical days, she finds that the man she adores is the man she's been pretending to flirt with all along. Now it only remains for the young lady to convince the farmer to take a wife.

The Duke of Danby is at it again!

By Dee Foster

Awww, the commanding Duke of Danby. Any book that involves this meddlesome Duke is bound to be worth reading & The Duke's Christmas Greetings did not disappoint. From Ava Stone's Lady Patience's Christmas Kitten (which has 1 of the triplets from One More Haunted Evening – another great book) to Rose Gordon's Mistletoe and Michaelmas to Lily George's A Christmas Courtship the Duke is quite busy.

A great granddaughter trying to save her kitten, a doctor who believes himself unworthy, the sister-in-law of a grandson who doesn't necessarily want to marry, a vicar who only believes in marriage for anyone but himself, a great nephew who's been jilted & only wants to be left alone to tend to his land and a good family friend who loves the wrong brother. Leave it to Ms. Stone, Ms. Gordon & Ms. George to make sure the Duke has his hands full & to provide readers with laughter & hope. Wouldn't miss reading these short stories & definitely look forward to the next set!

The Dukes Christmas Greetings

By Amazon Customer

This book contains 3 stories, centred around The Duke of Danby's Christmas house party, and I absolutely adored each story in this book. A great easy read, no need to have read other stories from the previous series or by the authors, but it was great meeting characters that I have met in other books, by these authors. A fun read with a bit of Christmas spirit :)

Love it!

The Duke is such a scamp! This book of three stories tells of how young people find love, with a little help from an older get. A must read!
