(Book). The Grand Budapest Hotel recounts the adventures of Gustave H (Ralph Fiennes), a legendary concierge at a famous European hotel between the wars, and Zero Moustafa (Tony Revolori), the lobby boy who becomes his most trusted friend. Acting as a kind of father figure, M. Gustave leads the resourceful Zero on a journey that involves the theft and recovery of a priceless Renaissance painting; the battle for an enormous family fortune; a desperate chase on motorcycles, trains, sleds and skis; and the sweetest confection of a love affair all against the backdrop of a suddenly and dramatically changing Continent. Inspired by the writings of Stefan Zweig, The Grand Budapest Hotel recreates a bygone era through its arresting visuals and sparkling dialogue. The charm and vibrant colors of the film gradually darken with a sense of melancholy as the forces of history conspire against our hero and his vanishing way of life. Written and directed by Wes Anderson, whose films include The Royal Tenenbaums , Moonrise Kingdom , and Fantastic Mr. Fox . The film also stars Jude Law, Tilda Swinton, Edward Norton, Jeff Goldblum, Harvey Keitel, Adrian Brody, Saoirse Ronan, Lea Seydoux, Bill Murray and Owen Wilson.

I absolutely loved it.

By Person in Hiding

Reading a screenplay gives you an inside view into the entire character. It fills in the blanks. While some may feel it leaves nothing to the imagination, I find the opposite true. It enhances the imagination, creating vivid imagery in the mind. This screenplay was fabulous. I'm looking forward to many more from Mr. Anderson. Bravo!

NOT ILLUSTRATED

By eric

This is NOT an "illustrated" screenplay. It's merely the film's script with a handful of black and white screen

grabs from the film. No "illustrations" as seen in some of the other books about Wes's films. IF you are happy with reading the screenplay then this is fine, but if you are hoping for a wonderfully illustrated book, this will be a major disappointment.

Mr. Anderson, you'd win my award.

By Mister Bonely

The Grand Budapest lost for best screenplay today, and, in my eyes, that is a grave mistake. I don't like long, serious affairs, so I'll just say this: This is the first screenplay for a film that I've ever bought; it is elegant and beautiful, and a pleasure to behold.
