This is a short analysis of the Lord's prayer.

By A Customer

This book, by Romano Guardini, takes the Lord's prayer and analyzes it line by line, with Guardini, in his profound, deep and masterful manner explaining the true nature and meaning of this prayer, and evoking more respect, insight into its depth, and understanding of its significance. A reading of any of Guardini's books is in itself a spiritual experience, for he was a man of God and a very powerful beacon of spiritual energy and strength. He was also a master of words, and this prayer is filled with words that symbolize, on a deep deep level, the nature and workings of God in our lives. As with all of Guardini's writings, I highly recommend this - he is one writer one should not be without. 5 of 5 people found the following review helpful.

Guardini is top notch in this book!

By Margaret A. Flipp

Read this book if you want truly deep, spiritual instruction. As usual, Romano Guardini's insights are the fruit of his years of prayer and study. What I like best is that whenever you read this book, it is like you tackled it for the first time. I used this book all during Lent and plan to use it in the future. My awareness of the depth of the Lord's Prayer has been greatly increased. If you want depth in your spiritual reading, read this book! 10 of 10 people found the following review helpful.

An inspirational reflection on the Lord's Prayer

By Elimian

An excellent introduction to a better way of praying the beautiful prayer given by Jesus to his disciples. All too often we recite the prayer without thoughtfulness. Guardini's wise words, thoughtful insights, and

inspirational reflection help Christian believers recover the deepest meaning of the prayer and guide them to offer it with heartfelt understanding and devotion. See all 9 customer reviews...
