Fitzwilliam Darcy is devastated. The joy of his recent wedding has been cut short by the news of the sudden death of his father's beloved cousin, Samuel Darcy. Elizabeth and Darcy travel to Dorset, a popular Regency resort area, to pay their respects to the well-traveled and eccentric Samuel. But this is no summer holiday. Danger bubbles beneath Dorset's peaceful surface as strange and foreboding events begin to occur. Several of Samuel's ancient treasures go missing, and then his body itself disappears. As Darcy and Elizabeth investigate this mystery and unravel its tangled ties to the haunting legends of Dark Dorset, the legendary couple's love is put to the test when sinister forces strike close to home. Some secrets should remain secrets, but Darcy will do all he can to find answers—even if it means meeting his own end in the damp depths of a newly dug grave.

With malicious villains, dramatic revelations and heroic gestures, *The Mysterious Death of Mr. Darcy* will keep Austen fans turning the pages right up until its dramatic conclusion.

Nothing better than Lizzie & Darcy solving a mystery

By Amazon Customer

This cozy mystery has it all. Our favorite Jane Austen characters are at it again. Darcy takes His Elizabeth on a journey to settle his cousin's estate and hopes for a little honeymoon time. When they arrive it turns grim quickly and Darcy and Lizzie must be strong to survive it. As usual Regina spins a complex story while staying true to the essence of these characters. Nothing is ever straight forward and if you think you've solved this half way through you would be wrong. Nothing is ever, ever as it seems.

The Mysterious Death of Mr. Darcy: A Pride and Prejudice Mystery....

By maryann

I loved it! First of all, I want to thank Ms. Jeffers for the intriguing novel she wrote and it kept my interest and kept me guessing. The story took a lot of research on her part while writing this novel. I like it when Colonel Fitzwilliam is always there for Darcy and the closeness they share throughout their lives to help each other out in time of need.

Not much romance in this novel but there was always the closeness of each other between Darcy and Elizabeth where one or the other gave in with the apologizing when needed. Their love always shines through and they would give up their life for one another. That is true love!!

It was a different kind of Jane Austen original with it being a mystery.
