THE RHETORICAL POWER OF POPULAR CULTURE: CONSIDERING MEDIATED TEXTS BY DEANNA D. SELLNOW PDF

Can TV shows, popular music, advertisements, and films help us understand rhetorical theory and criticism? The Rhetorical Power of Popular Culture, Second Edition includes examples like these to make rhetorical theory and criticism accessible, relevant, and meaningful. Exploring the powerfully persuasive rhetorical messages that pervade daily life, the book provides an easy-to-understand introduction to rhetorical theory and criticism by focusing on the powerful role that popular culture plays in persuading us what to believe and how to behave. The book's step-by-step approach and range of popular culture examples help students learn to apply rhetorical theory and criticism to their own lives and assigned work.

I love Sellnow! As a Communication major we are often given textbooks with a lot of content but not much context. However that's not the case here. I actually found myself unable to set the book down when I started to read since all of the theory chapter examples and articles are popular movie, television, media, and music classics! This textbook is ideal for courses that let you structure your own thoughts and feelings into creative writing since Sellnow jumps from theory to theory making the textbook pretty face-paced in terms of "brief coverage." I would definitely recommend this book to anyone studying in the communication or may even just have an emphasis on psychology or sociology its an incredibly interesting book.

What can you expect from a textbook

By Amazon Customer

Condition wise: Book was definitely beat up, back cover was bent more than once, but what can you expect from a rental....

Content wise: Its a good overview, gets into a lot of different perspectives and standpoints. Lacks clear flow from chapter to chapter but thats expected from a intro to WGS book. Overall its a text book. okay for class, abysmal for light reading

One Star

By A New Yorker

Incredibly boring and at times neo-conservative.
