The Small Woman

By Amazon Customer Lois Louthan

An inspiring story that shows what one insignificant person dedicated to doing God's Will can accomplish. Having been told she wasn't missionary material, she turned out to be a missionary and more. The story is almost unbelievable.

An excellent, well written

By Jeanie Kong

An excellent, well written, informative narrative. Definitely lacking in spiritual depth but well worth reading. To add the spiritual depth read The Little Woman written by Gladys Aylward herself.

Superb wordcraft! This guy really knows how to tell the story with words like an artist paints pictures.
