A unique 4-person thriller

By MTD

This play is hard to find in regular bookstores, but definitely turned out to be a great addition to my play collection.

If you are purchasing it with the intention of possibly producing it, you may find the following info helpful:

Cast: 2m, 2f (potential addition of 1m and 1f if you wanted) - any race would be appropriate, and ages

ranging from 20s to late 30s would also be appropriate.

Set: Apartment with a main door and a bathroom door.

Special technical requirements: The script calls for some drastic lighting changes (the lights go very bright at certain moments).

Props: moderate, including some weapons.

Story: Not as "other-worldly" as some of the blurbs on the play make it seem, but it is an unusual set up that will probably keep you wondering "what's going ON here?!" until the final reveal.
