Don't waste your money ask your guidance counselor, or use recommended websites.

Outdated many of the scholarships included in the book are two to three years old and no longer exist.

I was pretty disappointed.

By B. Christian

If you are a minority, American Indian, Asian, Latino, bowler, water skier, golfer or raise cows or horses, this book is a gold mine for you. If you are an average, middle income caucasian that lives in Ohio, there is very little for you in this book. I also found that a lot of the links did not work, and many scholarships expire in the first couple months of the year. I think you need to buy the book for 2017 in November of 2016 if it is available. I was pretty disappointed.

best to peruse this book at the library

By S. Crook

Not as helpful as I had hoped. Although we did find 4 scholarships to apply for, I had hoped for more. I can see how this may help others- especially minorities, athletes and moms. If you aren't any of those, best to peruse this book at the library.
