A remarkable book!

By Dad of Divas

This was an amazing book that really brings forth great animals through very intricate dots. I have never created such intricate designs in dot-to-dot in the past but I am so glad that I was able to find this and try this with my own daughters. You will love the pictures that you create as you go page-to-page in this remarkable book!

Very cool dot to dot book

By Florida Mom

Very cool dot to dot book. It is large (note the 10.8" X 14.8" size). I hadn't noticed it when I ordered. Instead of differentiating different lines with sequential numbers, lower case letters and upper case letters, there are multiple sequences of numbers differentiated with colors.

Not the Dot-to-Dot's you Remember From Grade School...100x Better!!

By Marley's Mom

Really challenging, super intricate, not your everyday dot-to-dot. These definitely aren't the puzzles you remember from grade school...they are 100 times better!!! The first one absolutely rocks!! Get out some

sharp pencils, make sure you have enough time, and connect the dots. It's so theraputic!
